

Constant of Ages

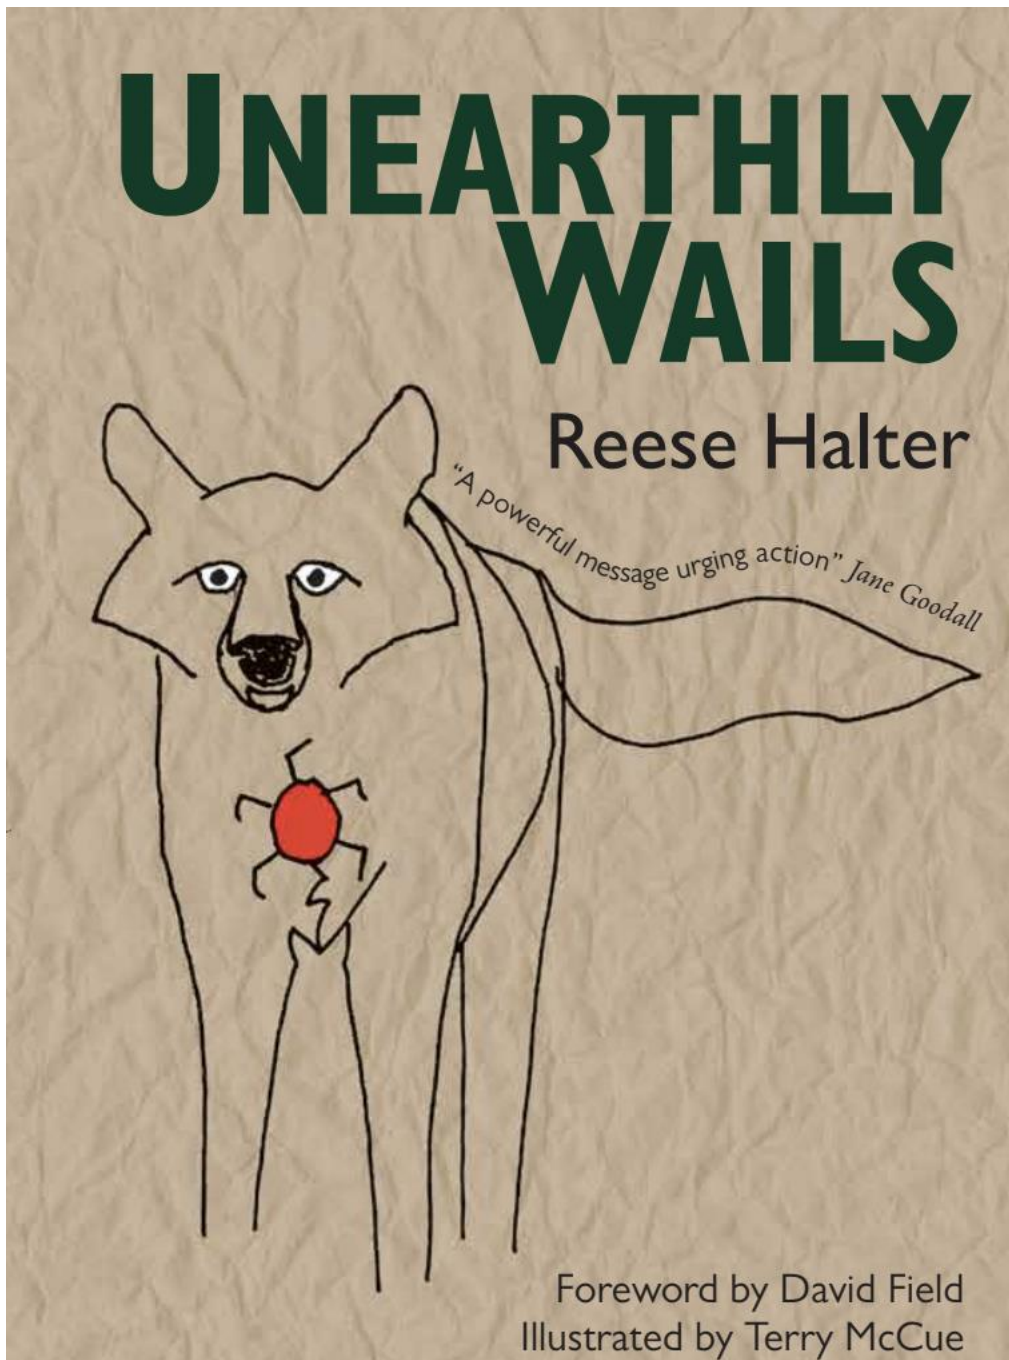

Eight-thousand-year-old
Burial discovery,
Young Finn lad
Forest grave,
Oche
Bed of down
Feathered cloak,
Feet adorned
Dog / wolf hairs.

Throughout hominin history
Common thread,
Daily struggle:
Food
Water
Predators
Cold
Floods
Fires,
Sickness.

Timeless
Parental care,
Dearly departed
Wrapped in softness
Foo dog
Journey beyond,
Triple everlastings:
Warmth
Companionship
Love.
