

Psychopathic Whalers, Icelanders

Barbaric bastards,
Bully brutes,
Finest Fins,
Bluest Blues,
Hvalur hf hoodlums
Hideously harpooning!

Five hours spear'd,
Torturous torment,
Excruciating gasps,
Wicked whalers.
Sentient sisters
Royal Highnesses undone!

Hundred-year-old Wonders,
Climate solvers,
50-ton carbon capturers,
Seabed storehousers,
Fair dinkum Fins,
Bodacious Blues,
Largest earthly inhabitants!

EVEN IN JAPAN, THE APPETITE FOR
WHALE IS DWINDLING. STOCKPILES OF
MEAT HAS BEEN REPURPOSED AS PETFOOD.

Icelanders, iceflensers.
Mother's whales,
Mincemeat madness,
Nippon dog food,
Shameless Japan.
Boycott bounders:
Iceland, Japan.

Unprincipled uninhabitables!
